Our Dedication

"Welcome to DeRosa Land!"

"We will always remember Mrs. DeRosa randomly singing to us"

"We will always think of Mr. Talty every time we have a DD Iced Tea."

"We are programmed to check the news every morning for current events."

On behalf of the Class of 2014, we dedicate our yearbook to the outstanding and devoted Social Studies Department:

Mrs. Jean DeRosa Mr. Derick Talty

Throughout our middle school experience, you have taught us to reflect on human experiences around the world. Both of you have provided insights about what has been, what has and what will be, giving us a curiosity about the world we live in. You have challenged us as students, helping us appreciate and recognize the responsibility we have as individuals.

Both Mrs. DeRosa and Mr. Talty incorporate enthusiasm and humor in their lessons to help us make personal connections to the real world. We thank you for giving us the ability to make personal choices, which are characterized by courage, dedication and moral decisiveness. Your continuous dedication as teachers has been inspiring and has helped us prepare for the future.

WAIT.....Thank you for making our time here unforgettable!

Thank you! The Class of 2014

Dear Class of 2014,

Congratulations to each of you as you complete your K-8 educational experience here at Haworth Public School. Your teachers and parents have prepared you well for the next phase of your life. High school will present new challenges for you and we know that you are up to those challenges.

It has been a pleasure to be part of your journey for the last two years. Like you, I will be leaving Haworth at the end of this school year. It has been a wonderful experience for me and I have enjoyed watching each of you grow into the fine young men and women that you are.

Good Luck as you begin your high school years and always know that the decisions you make for yourself, using all of the sound and solid ideas that your parents and teachers have taught you, will always turn out the best!

Stay well, Be happy and always be true to yourself!

Sincerely, Maria Nuccetelli, Ed.D. Superintendent

Dear Graduates,

Congratulations! How quickly time flies! Your graduation marks the conclusion of nine years at Haworth Public School. This is a remarkable accomplishment and the beginning of a new adventure as you begin your high school career and future pursuits beyond middle school.

You have grown before our eyes as you've progressed through HPS. We've watched you participate in Kindergarten sing-alongs, Halloween parades and Science Idol, play the recorder, and work together as a grade at the Buehler Science Center, Frost Valley and Washington, D.C. In addition to all of these extra-curricular events, you have spent years working hard to prepare for high school to face the academic challenges ahead.

We wish you well and hope that you approach your new high school challenges with the growth mindset in which you "don't just seek challenge, but thrive in it." Our greatest accomplishments come with time, when you've worked through problems and struggles. Take all of the skills you have cultivated and honed while at Haworth Public School and put them to use to accomplish all of your goals and dreams.

As Dr. Seuss said, "You're off to great places! Today is your day! Your mountain is waiting, So... get on your way!"

Best of Luck,

Mrs. Deborah J. Wunder Principal

HAWORTH PUBLIC SCHOOL 205 VALLEY ROAD HAWORTH, NEW JERSEY 07641 201-384-5526

To the Class of 2014,

I have enjoyed working with you over the past couple of years. Seeing many of you grow both academically and socially has been a true pleasure. I believe you have embraced the fact that everyone is special and has the right to their opinion, and we respect them for it. Remember, we all have our strengths and weaknesses, but through collaboration and support of one another, we can transform our weaknesses into strengths and ours strengths into success.

As you move forward into the next stage of your academic career, do so with the same enthusiasm you exhibited while at Haworth Public School. Remember the obstacles you faced and the perseverance you showed to overcome such hurdles. As the great Thomas Edison once said, "Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time." Build upon the solid foundation you have developed here and create the future of your choosing.

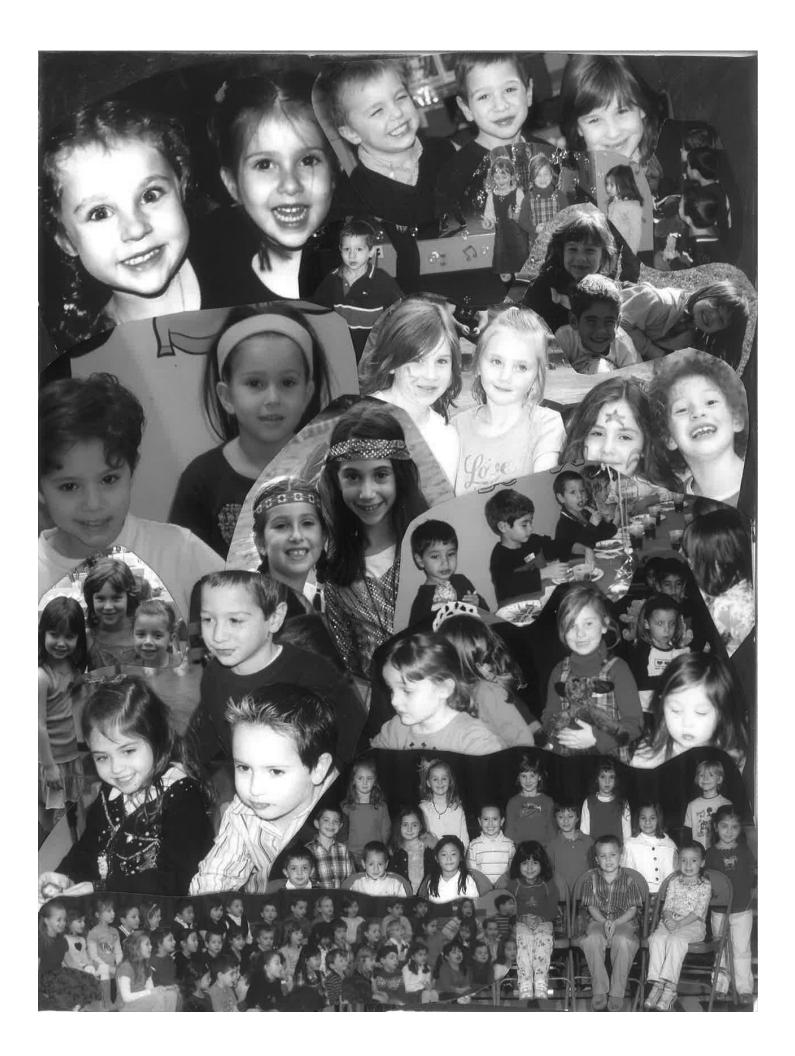

Please accept all my best wishes for a happy, healthy and successful future.

Sincerely,

Paul Wolford Assistant Principal / Middle School Supervisor

Teacher of the Year 2012 - 2013 Mrs. Chamberlain

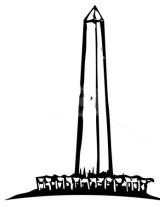

Mrs. Chamberlain is a dynamic and extraordinary teacher from our 1st Grade team. She continually brings enthusiasm, compassion and creativity to her teaching on a daily basis.

She is a teacher who cares deeply about her work and her students; never looking for accolades, but simply inspiring and impacting all those she comes in contact with each day. She has mastered the art of being fair and offers patience, acceptance and grace as a teacher and valued member of our staff.

Mrs. Chamberlain teaches her students to strive for excellence, to love reading and to respect each other; and she teaches all of us (her peers) to give our best for our students, to wear a smile and to continue to grow as individuals. She finds it incredibly satisfying to help students discover their potential, improve their skills and expand their knowledge.

Mrs. Chamberlain is highly respected by her fellow colleagues at Haworth Public School and throughout the Northern Valley Region. We would all like to congratulate her as the **2012-2013 Teacher of the Year!**

INEZ CASSANDRA ARMENDI

To Our Precious Inez,

None of us can believe how much you've grown and how quickly you've matured into a beautiful, strong, and smart young lady. You're an amazing girl and we are all so proud of how much you've accomplished. Going from middle to high school is a big step, but just make sure to keep your head up high and don't lose your true self, because you are such a sweet girl and it would be a shame to lose her. Keep studying hard, and don't let yourself get overwhelmed. We miss you so much and love you to the moon and back.

To Our Beautiful INEZ CASSANDRA ARMENDI

Dearest Inez,

Our joy and our heart, congratulations. You stand before us as this beautiful and intelligent young woman ready to tackle the next step. We know you will do great things in NVD. Keep your wonderful spirit and smile and bring with you your passion, determination, and focus. Above all, live a god-centered life towards a path of great fulfillment. Remember that we love you very much and we are so proud of you.

Love,

Mom & dad

Inez,

As much as you annoy me and I rightly reciprocate by annoying you, I find myself at a loss for words when asked to write in your yearbook. First, I cannot believe that you are already NVD-bound. Second, there are too many things I want to say that would go over this word-limit. To keep this short and sweet – you inspire me. I am in awe by your work ethic and your determination to strive for perfection. At the same time, you manage to put a smile on everyone's face daily (with the exception of Kobe). I'm sure that I will get to impart more inspiring words on you in preparation for HS but I will leave you with this:

Putting your head down and looking back are unnatural movements. So keep you head up and fix your eyes forward, where they naturally belong.

Good luck, my crazy little sister.

Love, Isabel

To My Little Squirt,

I cannot believe how fast time flies by. I remember you were so obsessed with your snow white costume that you never took it off...EVER! I would wake up to you running away from mom or dad, trying to take the costume off of you. Good times growing up with you, and many more I look forward to. Words cannot describe how proud I am to call you my sister. You have blossomed into an intelligent, beautiful, and witty young lady. I love you more than words can ever describe and I cannot wait to see you next year!
